OfficeLink Updates™

September 2019

Find updates on important changes to plans and procedures, drug lists, Medicare and state-specific information.

90-day notices and important reminders

We're required to notify you of any change that could affect you either financially or administratively at least 90 days before the effective date of the change. This change may not be considered a material change in all states.

90-day notices

Important reminders

News for you

Here you'll find information to help your office comply with regulations and administer plans -new services, tools and reminders.
